

UBS and Orchestral Music

Listening closely to one another in pursuit of a common goal, orchestral musicians strive to set an unsurpassed standard of collaboration, attention to detail and excellence. That is why UBS has a long history of supporting orchestral music around the globe.

In the U.S., in addition to being the Season Sponsor of The Philadelphia Orchestra, the firm currently sponsors several outstanding symphony orchestras such as The Cleveland Orchestra and the Boston Symphony Orchestra.

These partnerships reflect UBS's dedication to supporting the communities where we live and work, as well as a philosophy of working collaboratively with our clients to deliver the customized solutions that help them pursue their goals.
