**Premium Concerts:** Concerts designated as Premium have slightly higher subscription, Create-Your-Own, and public prices. These are concerts not to be missed and highlight the value of the programming. The additional cost brings you performances with larger orchestration, more involved production, world premieres, and exclusive relationships with renowned artists.

**New this season, we have adjusted our pricing structure.** Prices throughout the hall have been updated to offer similar price points available on the orchestra floor and each of the tiers. Prices still vary by concert level, day of the week, and section, as do subscriber savings. All prices on this page are valid until April 12, 2019 and are subject to change after that date. For more information on subscriber pricing please visit [www.philorch.org/subscriptionsprices](http://www.philorch.org/subscriptionsprices). A \$20.00 processing fee will be applied to all subscriptions. A \$4.75 Kimmel Center Inc. Building and Renovation fee has been added to all ticket prices. Please note a per-ticket service fee equal to 10% of the ticket price is added to add-ons purchased by phone or after your subscription order over the phone, on the web, by mail, or at the Kimmel Center Box Office.

Please note: All artists, dates, prices, fees, discounts, and programs are subject to change. Prices vary by concert as does subscriber savings and all seating requests are subject to availability. For select concerts Conductor's Circle, Front Orchestra, Tier 2, and Tier 3 boxes may not be available. Seating locations will be assigned in a comparable location at no additional charge.
